Wateridge Village Information Session, Parks #2 and #8

Where: East Gate Alliance Church, 550 Codd's Road

The City of Ottawa wants your input on the proposed design for two new parks that will be built in the Wateridge Village Community over the next few years by Canada Lands Company (CLC) Limited for the City of Ottawa.

The parks will provide a range of passive and active recreation amenities for the community which will be geared for all age ranges. A Commemorative Plaza celebrating Lt Colonel William G Barker will be the primary focus of Park # 8 whereas Park # 2 will become the primary recreational facility for soccer, tennis, skateboarding and winter skating in the community. Extensive green open space, landscaped areas and the preservation of existing trees will also be considered in the design of the parks. By attending the information session you will be able to view the proposed plans for the parks and make suggestion on the proposed amenities.

Saturday 18 November & Sunday 19 November 10am-4pm
November Artisans event

The Navan Arts and Crafts Group (over 20 juried Artists and Artisans) will be holding their 39th Christmas Craft Show Nov. 18 & 19 at the Navan Memorial Centre Hall, 1485 Colonial Road in Navan. Admission is free and there will be door prizes. Donations will be accepted for the Orléans-Cumberland Community Resource Centre Christmas Program.

Notifications from the City

8 December 2017 to 8 June 2018

Bell Canada Infrastructure Work

Bell has submitted a request to the City for a permit to install their infrastructure on Donovan Court, Taunton Place, Montreal Road, Beckenham, Swans Way South, Thrush Court and Dover Court. We are unable to tell you the effect of what they plan to do, as their description of the work is short and purely technical. However, they will be replacing "existing Bell pedestals" and installing new equipment and conduit, both along roadways and into or through several properties. If you want to see their drawings for exact locations of work, send an email to the RHPOA (via the "Contact us" on www.rhpoa.ca).

Request for Expressions of Interest

Combermere Rink Supervision 2017-2018

The City is searching for organizations or people who would be interested in earning some money and/or volunteer hours during the outdoor skating season by supervising Combermere Rink. The responsibilities include opening and closing the change shed, providing some site supervision, and recording hourly attendances. Major maintenance of ice surfaces is done by the City. Interested organizations and individuals should get in touch with us via www.rhpoa.ca or through a Board member.

Public Health – Flu Shot Clinics Closest to Our Neighbourhood

The following locations of flu clinics are not very close, as flu shots are now administered by many pharmacies and in many workplaces. If you want a City clinic, the closest ones are as follows -

Wednesday 1 November from 2:30pm-7:30pm, Montfort Hospital

Tuesday 7 November from 3:30pm-7:30pm, Fred Barrett Arena, 33280 Leirtrim Road

Monday 20 November from 9:30am-5:30pm, Ottawa City Hall

Inquiries about Road Re-Surfacing from Residents -

We have had inquiries from residents since Spring about when several local streets will be re-surfaced. We foolishly thought the answer would be easy to get, because surely with every annual budget, there would be a list of roads that are being considered. Our Councillor has indicated that such a list does not exist; he requested one for roads in the Ward in late Spring. To date, we have not been able to get an answer to our question, but we will keep asking.

If you have any comments or articles you would like considered for our e-newsletters or website, we encourage you to submit them through the website (www.rhpoa.ca) or discuss with a Board member. We always appreciate getting feedback from residents.
